50% of today's leading businesses will not be leaders within the next decade.

We need everyone to
become a problem solver.

@ilonadougherty :: #youthinn

In one century, we have added
more years to our life
expectancy than in all prior
millennia combined.

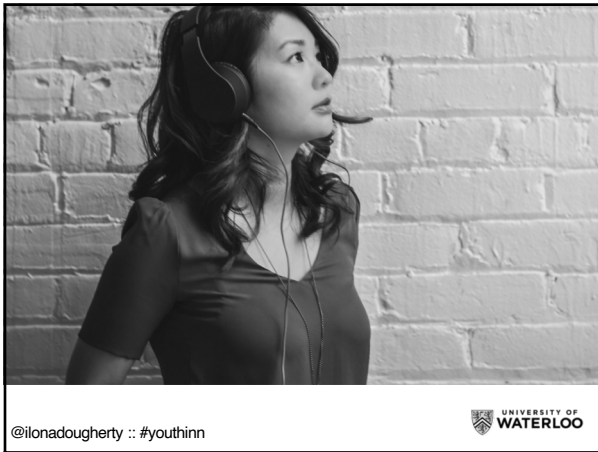

@ilonadougherty :: #youthinn

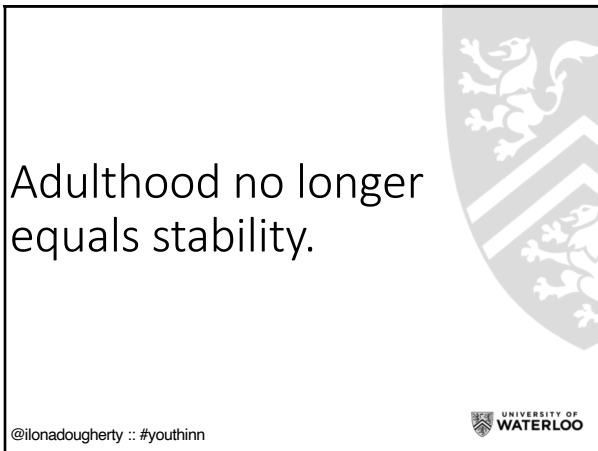

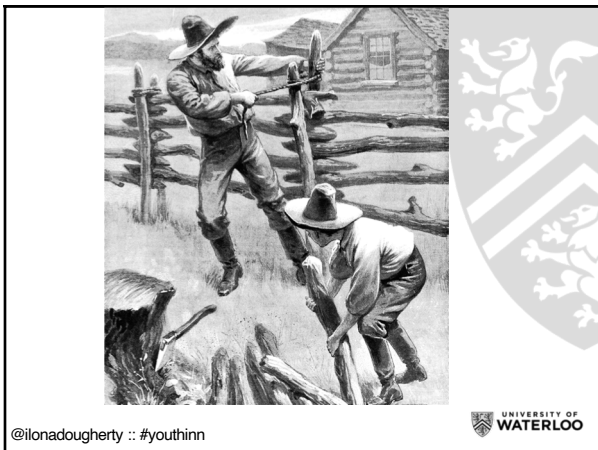

Young people's unique
abilities are becoming a
scarce resource.

@ilonadougherty :: #youthinn

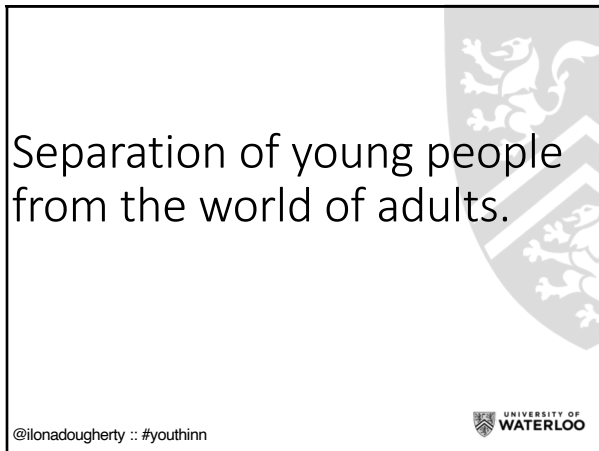

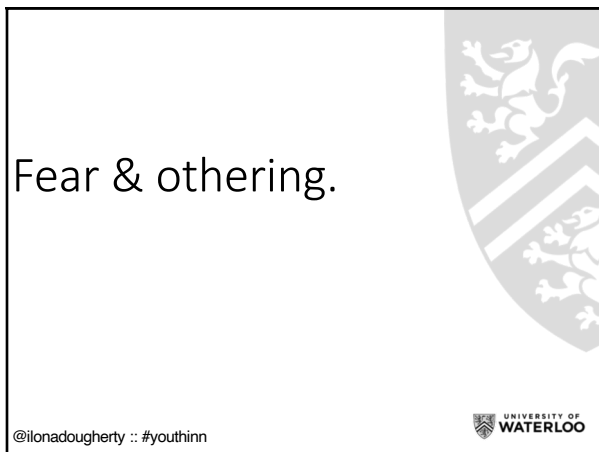

Incomplete: Becoming
versus being.
