(/en/)

VIRTUAL PROGRAM

Please note that when a session description is in English, it means that the session itself will be presented in English. If the session description is in French, the session will be presented in French. Where descriptions are provided in both languages, the session will be presented in English (with captioning if being streamed in the virtual platform) and with simultaneous interpretation available in French.

On-demand sessions / Séances sur demande Keynotes / Allocutions
